

Funding medical treatment for abandoned, stray, and abused companion animals

January 9, 2019

The Administration and Residents of the Village of Grosse Pointe Shores
795 Lake Shore Rd.
Grosse Pointe Shores, MI. 48236

Dear Friends,

We just wanted to thank all of you for once again conducting a holiday food and supplies drive for the many animals who are helped by 4 Paws I Heart. Your generosity resulted in the donation of hundreds of pounds of food, pet beds, toys, and treats.

On August 18, 2018, 4 Paws I Heart celebrated eight years of making a difference in the lives of abused, abandoned, and stray companion animals and the families who adopt them. And, because of caring supporters and veterinarians who provide us discounts, we have been able to pay \$734.00 in medical bills for over 5,000 animals. We are very proud of the fact that every dollar donated to 4 Paws I Heart goes directly to the medical needs of the abandoned and stray animals and all food and supplies that are donated are distributed to individual rescuers, rescue groups, and shelters whom we assist.

This is Little Orphan Annie. She was surrendered to our co-founder, Gina, while she was at work. Annie's owner was a 'backyard' breeder who did not realize that little Annie (one of four puppies born to a female Chihuahua) was not eating; her three siblings had already died. The owner could not afford to give this two-day old puppy the medical help needed and, thankfully, gave her up so she might live. Annie is now almost one year old and she is enjoying a great life in her forever home with three other fur siblings and a great mom and dad. In fact, Annie is the cover girl and Miss November in our 2019 calendar.

We could not make these miracles happen without our supporters! Again, thank you to all of the wonderful people in this beautiful community. We wish you a 2019 filled with much love, laughter, and good health.

Sincerely,

A handwritten signature in black ink that reads "Diana Rascano". The signature is written in a cursive style with a large, looping "D" and "R".
